Warranty qualifications decorative Furniture fittings Metakor NV.

Metakor offers a 5 year warranty on construction faults regarding their decorative furniture fittings.

Construction faults will be subject of an internal observation and control at Metakor. Wrong use, bad assembly and overload are not part of this warranty.

In case of warranty, Metakor will replace the faulty pieces or will be credited when they are not mentioned in the actual catalogue anymore.

No consequential loss, such as hours of work, removal and/or assembly will be given.

Should normal signs of wear or wrong maintenance be prove of malfunction, no compensation either can be given.

The decorative furniture fittings of Metakor are produced for use in private places and not for high intensive professional purposes.
