

# Nikpol Hardware Care

---

**For maintenance**  
we advise:

---

**All Nikpol hardware products except hinge systems.**

It is recommended that all Nikpol hardware is to be maintained with a soft cloth. We suggest you wipe gently over any interior and/or exterior surfaces with a soft, clean, damp cloth and follow by drying thoroughly with a soft, clean, dry cloth. It is advised that you do not use any abrasive or harsh cleaners on or near any of the internal hardware, stainless steel surfaces or handles.

**Hinges and hinge accessories**

It is recommended that hinges be cleaned with a soft, dry cloth but you must ensure the cloth does not contain any moisture. Nikpol hinges are specially protected by a thin film of high grade oil that ensures its functionality and durability. This oil is necessary and therefore should NOT be removed with any form of detergent / anti grease cleaner or otherwise.

Please **DO NOT** use any of the following to clean hardware surfaces:

- Abrasive or harsh cleaners, such as ammonia or chlorine bleach
- Concentrated detergents, anti-grease cleaners or solvents
- Metal scouring pads

These products can scratch, crack and discolour your hardware surfaces

*Please note: All Nikpol products must be cleaned by hand*

Do not exceed the weight restrictions as per product technical details, this will void the manufacturers express warranty.
