How to access Online Benchtop Designer

1. Trade Customers must already be logged into Nikpol's e-commerce website (<https://nikpol.com.au/Account/CustomerLogin>)

The screenshot shows the Nikpol website's login page. At the top, there is a navigation bar with the Nikpol logo and menu items: PRODUCTS, COLOURS, SERVICES, DISCOVER, VIRTUAL SHOWROOMS, ABOUT US, and a Download Brochures button. Below the navigation bar, the main heading reads "DON'T HAVE A NIKPOL ACCOUNT YET?" with a "GET AN ACCOUNT HERE" button. The central focus is a login form with fields for "Email*" (containing "jschellebeck@nikpol.com.au") and "Password*" (masked with dots). A "LOGIN" button is positioned below the password field, and a "Forgot your password?" link is to its right. On the right side of the page, there is a vertical sidebar with icons for search, login, a shopping cart with a "0" count, and a shopping bag with a "0" count.

2. Customer will navigate to the Online Benchtop Designer portal from:
 - a. clicking the quick link at the top of the Nikpol website:

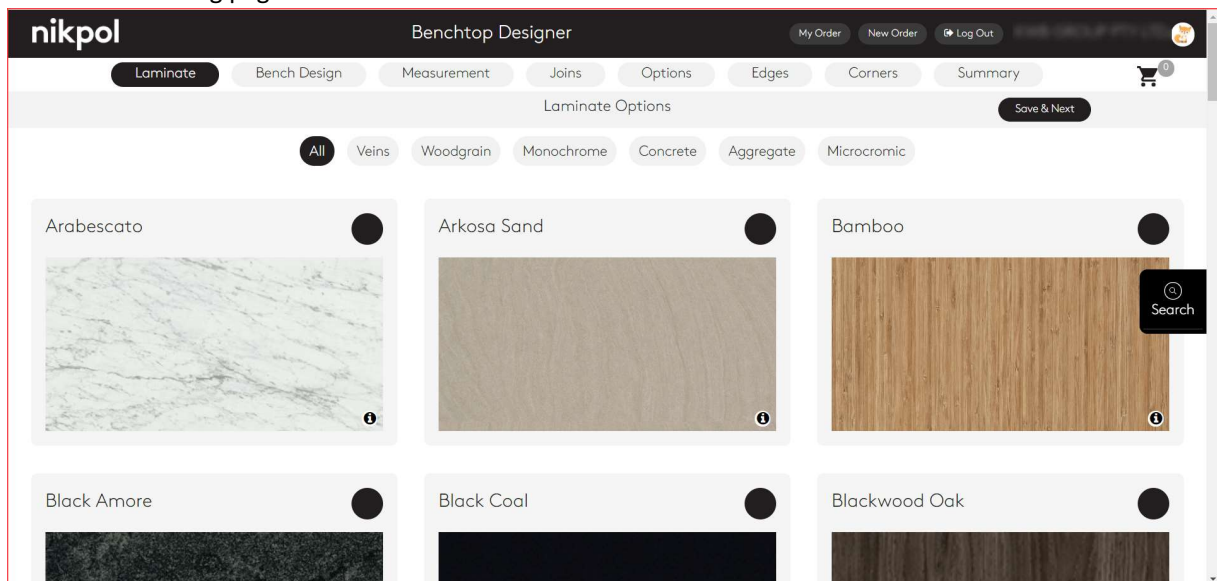

- b. Or navigating there from the Benchtops page <https://nikpol.com.au/Services/Benchtops>

How to draw a benchtop

1. Customer's landing page.

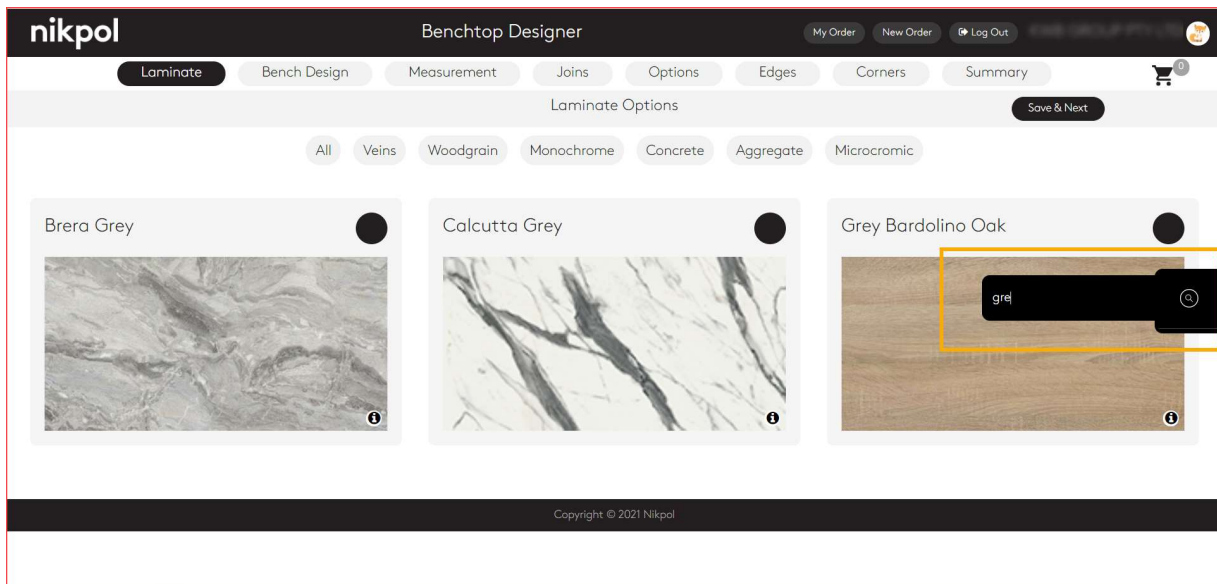

2. Customer can search for existing colours either:

- Scrolling through all colours on the page.
- Clicking on any of the colour families towards the top of the page.

c. Using the search function on the right hand side of the screen.

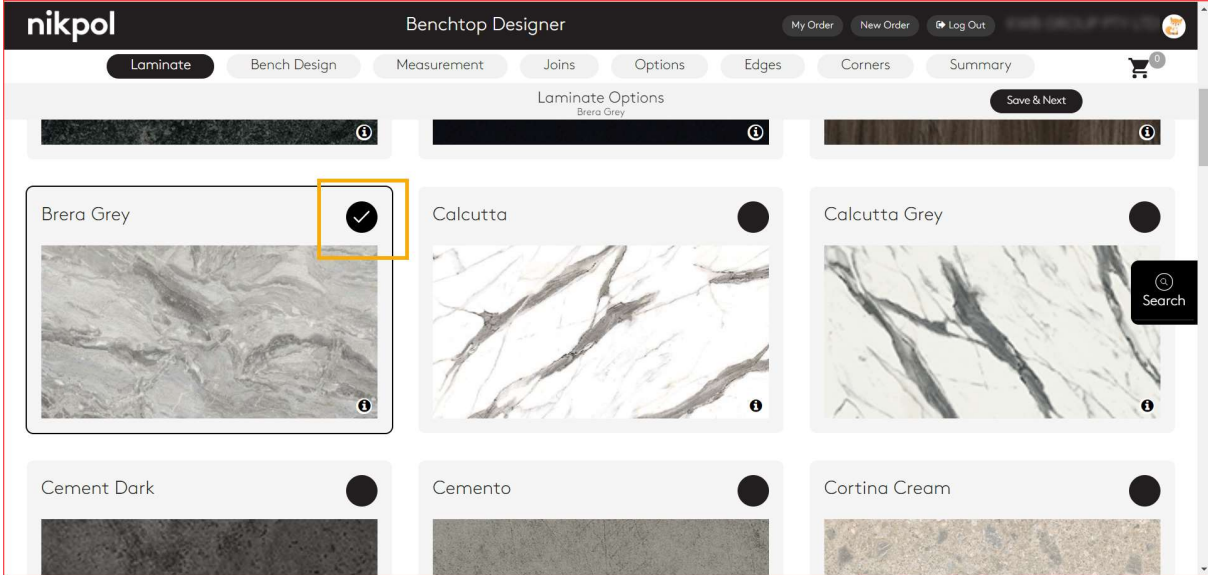

3. Customer can see all the current available sizes and profiles per colour by clicking on the information symbol on the bottom right corner of each colour swatch.

Laminate

4. Select your chosen laminate colour with a 'tick'.

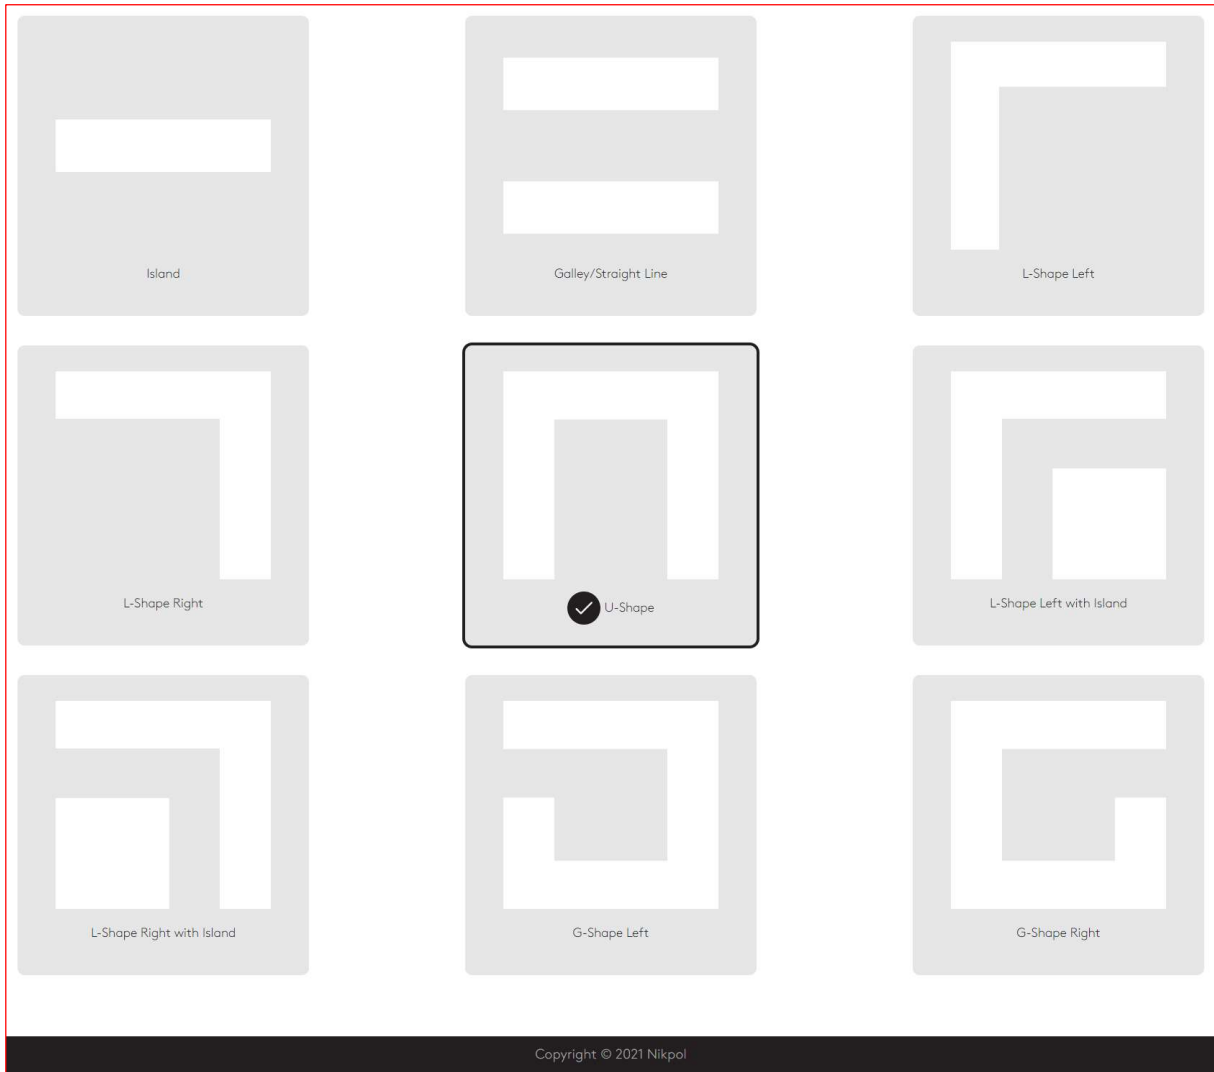

Then click "Save & Next" in the top right of the banner.

Bench Design

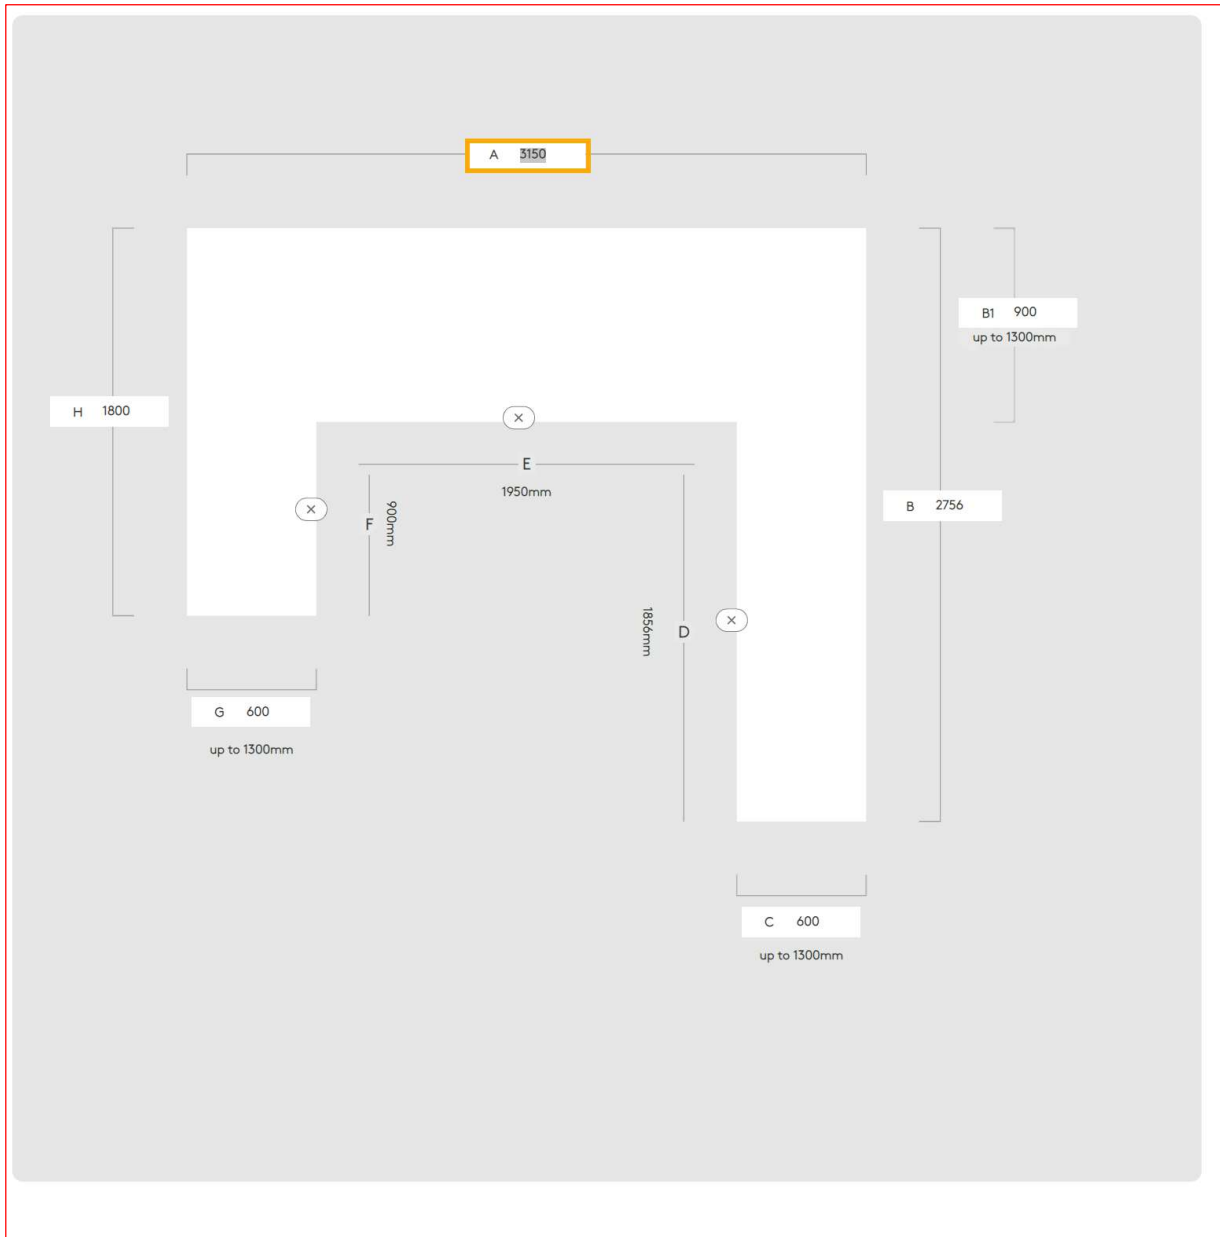

5. Select one of the pre-defined benchtop designs.

Click "Save & Next".

Measurement

6. Enter the dimensions as millimetres in all the dimension boxes according to the requirements.

Click "Save & Next".

Joins

7. Select where you want the joins (where applicable) for the benchtops.

Click "Save & Next".

Options

8. Select the available front profile and thickness from the menu on the right. This needs to be selected for each section.

The image shows a technical drawing of a mechanical part with dimensions and a configuration menu on the right.

Dimensions:

- A: 3150mm
- H: 1800mm
- B1: 900mm
- B: 2750mm
- E: 1950mm
- D: 1850mm
- C: 600mm
- G: 600mm
- 900mm (vertical dimension)

Configuration Menu:

Please select options

Section 1

Radius: 2.5 ABS

Thickness: 20 38

Section 2

Radius: 2.5 ABS

Thickness: 20 38

Section 3

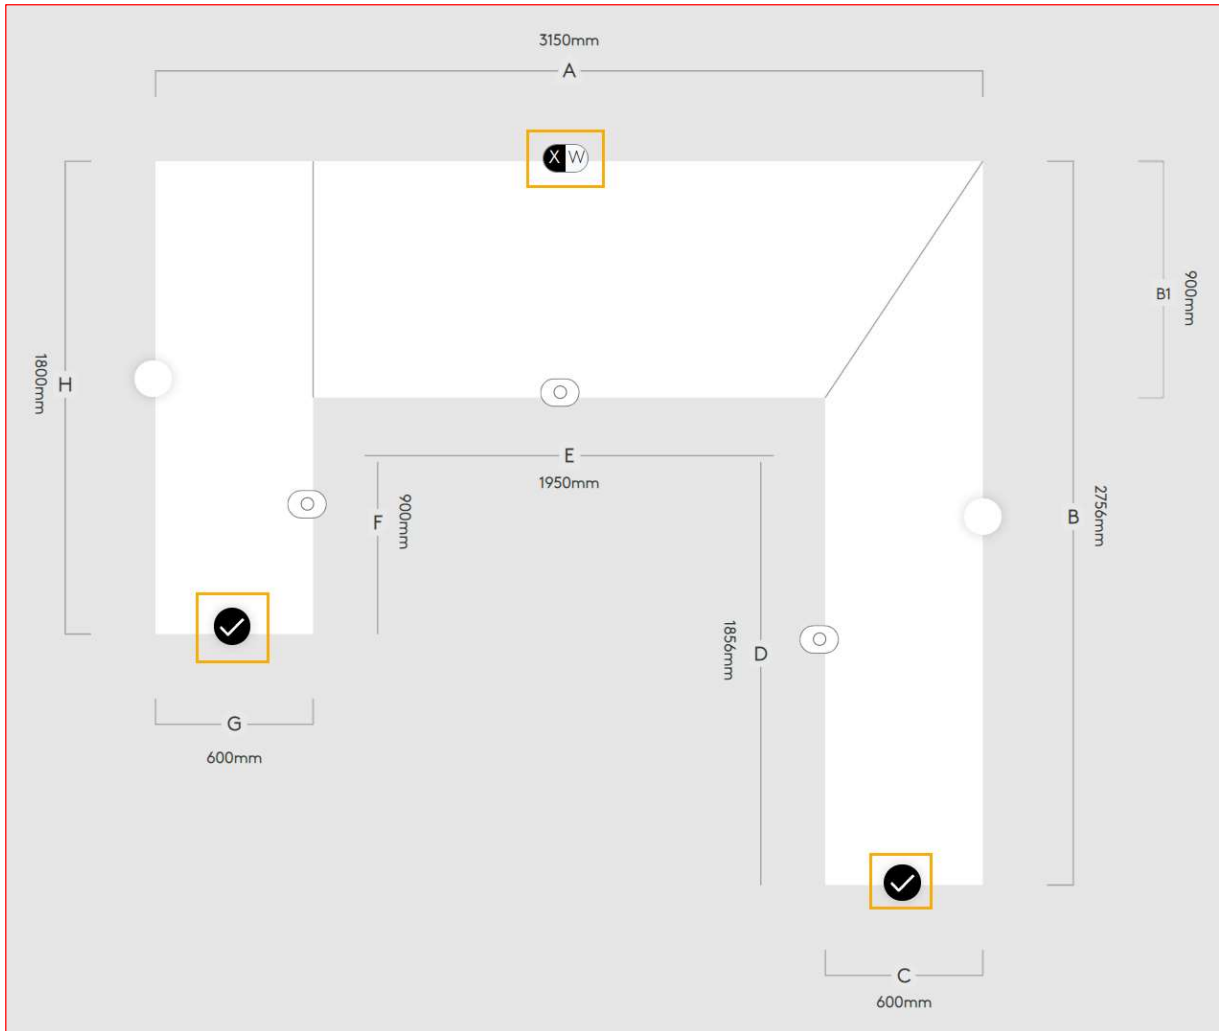

Radius: 2.5 ABS

Thickness: 20 38

Click "Save & Next".

Edges

9. If ABS edging is required on any edge, click to select where.

Please note: The back edge of section 1 is already edged by default as it is 900mm wide. You have the option of leaving it edged or you can choose to remove the edge by clicking on the 'W'. This will also be the case when selecting a 1300mm double ABS profile laminate.

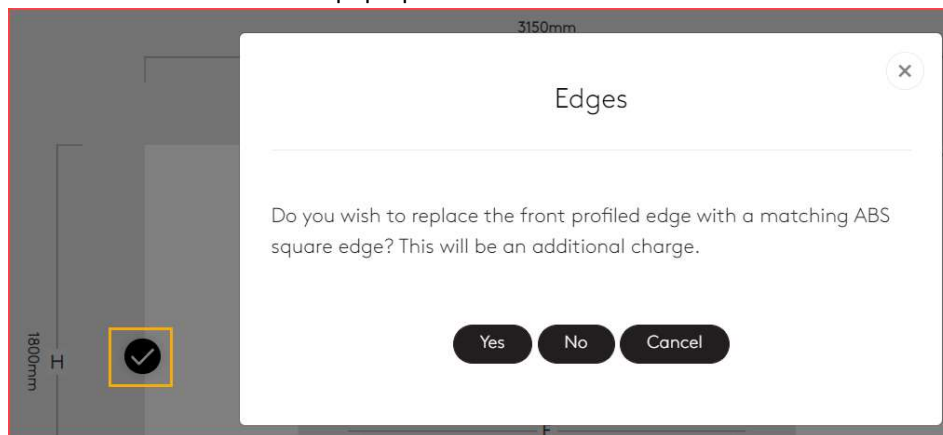

Adding ABS back edge to a Radius front profile section

10. When adding an ABS rear edge to a section that has a radius front profile will show a warning.

You have three choices:

- a. Yes – This will draw the section with a front radius profile and allow an ABS square rear edge
- b. No – This will create another pop-up window

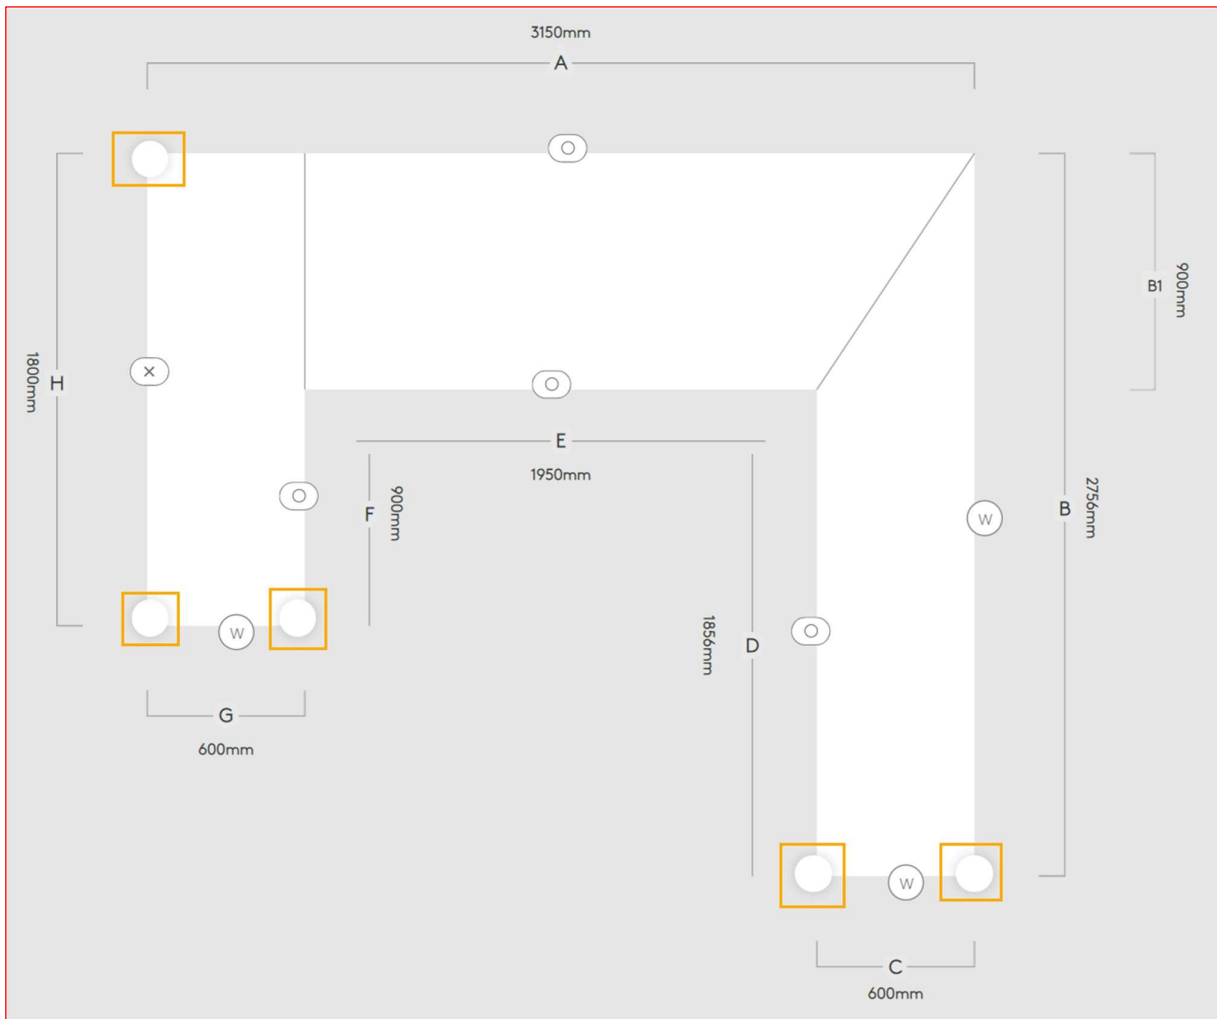

You have three choices:

- i. Yes – This will show the section now with an ABS edge added to both the front (after removing the radius profile) and rear edge
 - ii. No – This will show the section as having a front radius profile and an ABS rear edge
 - iii. Cancel – Takes you back to the Edges page with a rear ABS edge selected.
- c. Cancel – Takes you back to the Edges page with a rear ABS edge selected.

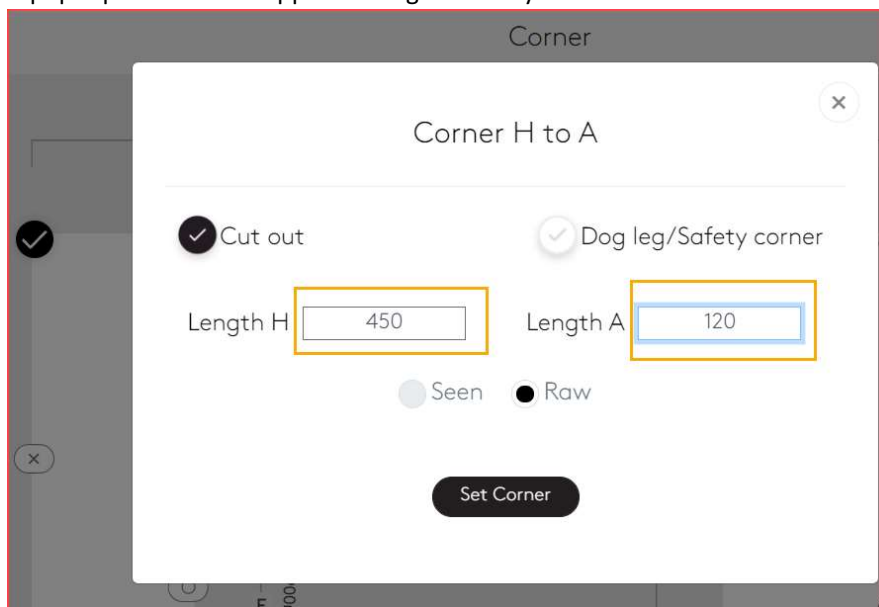

You can always remove the edge by simply clicking on it again and removing the tick. Click "Save & Next".

Corners

11. You can select to add either a Dog leg/Safety corner or a Corner Cutout by clicking on the corner where required.

A pop-up window will appear asking to make your choices.

You can add your dimensions for a Corner Cutout as above.

Click "Set Corner" after entering your corner details to return to the Corner page.

Dog leg/Safety corners are predefined, and the dimensions can not be modified (100mm x 30mm).

When increasing the quantity with the + icon you will also notice the 'Total Price' increase.

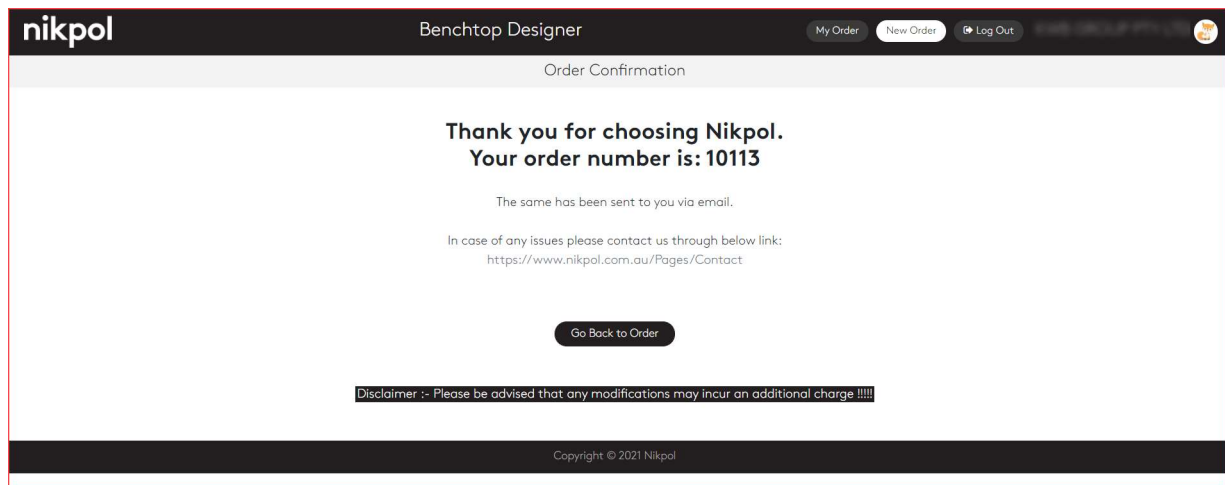

Conversely, if you want to reduce the quantity of quotes to order click on the – icon to reduce. If you want to delete the quote from the order cart click the – icon to reduce quantity to 0 and you will receive a pop-up warning.

Payment Rules

16. Depending on the account setup per customer (CBD or 30 Account) will depend on what payment methods are available.
 - a. CBD Customer with order \leq \$1,000
 - i. Can pay via PayPal or Credit card only.
 - ii. Delivery fee is automatically added to the order cart.
 - b. CBD Customer with order $>$ \$1,000
 - i. Customer will receive a message: "Thank you for your order. Nikpol will contact you to process your order".
 - ii. Delivery fee is automatically added to the order cart.
 - c. 30 Day Account Customer with order \leq \$1,000
 - i. Can pay via PayPal, Credit card or On Nikpol Account (subject to credit check).
 - ii. No delivery fee is added to the order cart as this will be handled internally at Nikpol.
 - d. 30 Day Account Customer with order $>$ \$1,000
 - i. Only payment option available is On Nikpol Account (subject to credit check).
17. Once payment is successfully made, an Order Confirmation screen will appear to notify the customer of their order number.

The customer and Nikpol customer service will also receive an Order Confirmation via e-mail. Attached to the email will be a pdf attachment of the drawing created by the customer. If multiple quotes were added to the order, then each quote will have its own pdf.

FAQ

1. What if customer wants to make an order with more than one island benchtop or what if they want a 'U Shaped benchtop' with an additional Island benchtop?

Customer can create multiple orders and identify them as part of the same order either via the PO Number (limited to 35 characters) or use the Comments section on the "Summary" Page.

2. What if a customer wants a benchtop greater than 3660mm and they want to decide where to locate the butt joint?

The customer can use the 'Comments' text box to provide that information. For example, "Place butt joint 2010mm from the left hand side of section 1.
